Pursuant to Clause 42 of the Company's Articles of Association, a resolution of the shareholders meeting should be made by Voting, and one share should be counted as one vote. the total number of votes of shareholders attending the meeting. The remaining votes will be counted as approved votes.

- › Agenda that must be approved with a vote of not less than two-thirds of the total votes of the shareholders attending the meeting which will calculate the vote base by counting all the votes of shareholders attending the meeting.
- › Agenda that must be approved with a vote of not less than three-fourths of the total votes of the shareholders attending the meeting and having the right to vote which will calculate the voting base by counting all the votes of shareholders attending the meeting and having the right to vote which including agree, disagree and abstain.

It will keep the votes of all those who 'approved' for to be in line with the guideline of holding good shareholders' meeting.

If the majority of votes approved and abide with the articles of association of the Company, the meeting should be deemed to agree or approve the agenda.

For shareholders who want to leave the meeting or will not be present in the meeting room during any of the agenda, they can vote by sending the voting slip to the staff before leaving.

Voting slip will be voided slip if the intent is not clear on the voting slip, such as voting in more than one choice or if there is a correction or cancellation in the voting slip without counter-signing against the correction or cancellation etc.

The Chairman asked the shareholders, who attended the meeting if they had any inquiries.

Mr. Vinai Rungtiwasuwan Proxy from the Thai Investors Association inquired:

1. In the first quarter of 2021, what was the average daily trading volume, how much market share was the company able to do, and how did the company forecast the trading volume trend in 2021?
2. Why does the company not invest in securities in order to earn additional income from the securities business?

Mr. Chaipat Nakmontanakum Chief Executive Officer answered questions.

1. For the exactly numbers on income and trading volume cannot be disclosed, we had to wait for the announcement of the Company's financial statements. The trading volume is expected to be lower than last year. This year, the situation was quite stagnant but due to the news of a new wave of outbreaks recently and the market has come up quite a lot in past year. Therefore, it is expected that the trading volume is unlikely to be higher than that of the previous year. Unless there is an unexpected event. For the yields, we will fight the price to keep our customers. But it will not be used to pull customers from other Brokers.
2. Our group has no policy to invest in securities port. We focus on the maintaining and taking care of our customers.

Since there was no other question, the Chairman expressed his gratitude to all shareholders for their support.

The Meeting was declared close 02.45 p.m.
